Claiming criteria prior to 13 February 2023

Anti-viral medication prescription

Anti-viral prescription - COVID-19 - simple: $69.00

Funding for when a patient contacts your practice for an advance prescription, but they do not meet the Pharmac eligibility criteria, or it is not clinically appropriate.

Anti-viral prescription - COVID-19 - complex: $138.00

Funding for a consultation where a person meets the Pharmac eligibility criteria, and an advance prescription is generated.

Only one invoice can be claimed per patient.
