These instructions are for Profile for Mac

IntraHealth have done a full set of instructions. If you would like a copy of this please contact Pinnacle MHN. IntraHealth recommends that this process be run on the server and that it be run after hours to avoid network unresponsiveness.

On the Profile server

- Select **Practice | Export | Clinical Performance Indicators**
- Leave Provider blank for all providers
- Enter the Start and End dates for the last quarter (send table above)
- Tick **Include Immunisations**
- Select **Send via HealthLink**
- Click **OK**
