Important things to know

- To be eligible for this plan you must have received this offer from Pinnacle and be ready to present Spark with your HPI ORG ID number.
- This offer may not be transferred to any other person or business.
- Once your verification has been confirmed, you'll be eligible to receive this plan for at least 12-months. After that Spark will verify your eligibility from time to time. If you are no longer eligible, Spark may move you to a similarly priced plan (which may not have the same data, voice and text allocations) or you can select your own plan. You may keep your existing number.
- One Spark Health plan per person or up to 200 mobile and 200 data only plans for businesses.
- Once your onboarding process is complete, it can take up to 10 business days for your plan to activate. This allows time for the arrival of your SIM and any porting to be completed.
- Plan is pay monthly.
- Full terms apply. You can view them [here](#).
