

# ENHANCED ACCESS TO GENERAL PRACTICE SERVICES WORKSHOP

## Hamilton

**Thursday 23 April 2026**

River Room

Pinnacle Midlands Health Network

711 Victoria Street

Kai and connect from 6:00pm

Workshop 6:30–8:30pm

## Designed to help you

improve access to general practice services and meet the new health target:

**ensuring more than 80 percent of people can access an appointment with a general practice provider within one week.**

## Why Participate?

- 1** Implementation focused session: equipping practice teams with practical tools, resources, and motivation to lead and sustain change that improves access.
- 2** Increase equity: this initiative prioritises those serving Māori, Pacific peoples, rural communities, and areas with high deprivation or closed books.
- 3** Gain knowledge from data: make the target real for your team, get clarity on what's being measured, how to interpret your data, and what changes improve access for patients and whānau.
