

How to create a DynaMed personal account

1. To access DynaMed, log into HealthPathways and click on the DynaMed button on the right-hand side of the HealthPathways homescreen.

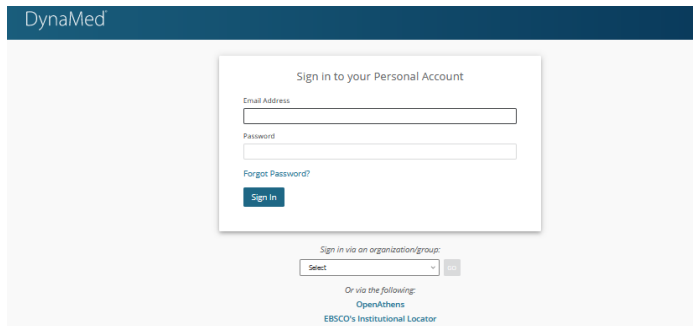

1. Click 'Create Account' on the DynaMed home page.

2. Enter your details and click 'Register' at the bottom of the page.

The image shows the 'Register for a Personal Account' form. It includes a header with the title and a link to 'Sign in now'. Below the header, there's a message about signing up and affiliating the account with HEALTHSHARE. The form has several input fields: 'Email Address', 'Password' (with a 'Show Password' link), 'First Name', 'Last Name', 'Specialty' (with a dropdown menu), and 'Role' (with a dropdown menu). At the bottom, there's a 'Register' button.

3. Once created, users can use their personal username and password to sign in to www.dynamed.com via their personal user account details and can also access the DynaMed app on their mobile phone using the same credentials.

The image shows the DynaMed sign-in page. At the top is a dark blue header with the DynaMed logo. Below it is a white sign-in box with the title "Sign in to your Personal Account". Inside the box are two input fields: "Email Address" and "Password". Below the password field is a link that says "Forgot Password?". At the bottom of the box is a blue "Sign In" button. Below the sign-in box, there is a section titled "Sign in via an organization/group:" with a dropdown menu labeled "Select" and a "Go" button. Below that, it says "Or via the following:" followed by links for "OpenAthens" and "EBSCO's Institutional Locator".

Alternatively, you can use the below QR code from your mobile phone.
