

Curious how we use your data?

- We only collect what we need to help you and your whānau.
- We only use this data to improve your health and the health of the community.
- We don't sell anything we know to anyone, ever.
- We only share data with people in the health system who will look after your information the way we do.
- We look after your data and keep it secure.
- Your health record is YOUR health record - you can see it, correct it, and know what we have done with it - just ask.

Maintaining your trust and privacy is important to us.
