

FLU ELIGIBILITY REPORT

1.	Purpose	<p>The Flu Eligibility Report provides the practice with a list of patients who:</p> <ul style="list-style-type: none"> • are likely eligible for a funded flu vaccination • are not recorded as having received a flu vaccination in the current flu vaccination period. <p>The Report is intended to assist practices to contact patients and offer them a funded Flu vaccination. We recommend practices review these lists.</p>
2.	Frequency	Weekly – every Monday at 2:30pm.
3.	Report name in Indici/PHO Folder Medtech/Healthlink Folder	<p>Name format: [practice id]_flu_[file transfer method]_[data source]_[date].csv Name example: 9000_flu_healthlink_id1_20220801.csv</p>
4.	User	Nursing Team
5.	How to Use	<p>Review the list of patients and recall following practice processes. The report is in Excel format. Filters can be added to enable the practice team to filter by eligibility criteria – e.g. age, ethnicity, condition.</p>
