

# GEN2040

## Gen2040 Service Provider Agreement: Incentive Payment Schedule

Effective as of August 2022

Tool Name	Incentive Payment
Best Start Pregnancy	\$100
Best Start Pēpi	\$50

### Important notes on incentive payments

- Best Start Pregnancy incentive payments are made when assessments are submitted for Māori mothers or mothers pregnant with Māori babies.
- Best Start Pēpi incentive payments are made when assessments are submitted for Māori babies.
- Forms are able to be submitted partially completed, full payments will still be made.
- Essential fields include demographic information, if consent was gained to complete the assessment and date of Last Menstrual Period (Best Start Pregnancy).
- Multiple assessments submitted for the same pregnancy ID within a four week period will result in one incentive payment being made.
