Eastside Medical Centre (U)	12%	
Role	FTE	Employer
Kaitautoko	3.3	TBD
Kaiw'akaako-a-'auora / HIP	2.2	Pinnacle

At the end of Tranche 3 there is potential for funding for a final implementation. We note that at the end of this period the funding will not enable total coverage for the Taranaki population. As a Collaborative we are working together on plans for ways of working together to ensure we provide support to the rest of the community.
