

## Summertime locum grant application

### About

The 'Summertime Locum Grant' was established to help ease the pressure that some rural practices faced during the peak holiday season such as an influx of patients and the increased costs in attracting and accommodating locums during these peak periods.

### Criteria

In order to apply for this grant, you must meet ALL of the following criteria:

- Your practice is a Pinnacle rural practice (defined as currently receiving rural funding).
- Your practice is in a geographical location identified as a holiday destination.
- Your practice is at least 40 minutes by road to the nearest base hospital during normal operating conditions (defined by google maps).
- Your practice provides 24hr care.

### Application

Please complete the following information.

Practice Name: \_\_\_\_\_

Practice Location: \_\_\_\_\_

Does your practice meet all of the above criteria? Yes/No

Please give further information about your locum requirements over the extended holiday period:
